AUDITOR'S CERTIFICATE

This is to certify that I have examined the books and vouchers, bank statement and other financial records of the

Treasurer of the School District of Eaton of which the above is a true summary for the fiscal year ending June 30, 1943, and find them to be correct in all respects.

ELLEN E. THURSTON,

Auditor.

Report of Superintendent

To the School Board and Citizens of Eaton:

The average school membership of the school this year has been slightly above thirty pupils. Attendance has been irregular. Much absence has been due to illness, some to poor travel conditions, and some entirely inexcusable. However, much excellent work has been done and the attitude of the pupils is good.

Some of the statistical facts for last year follow: Total registration, 39; days in session, 177; number transported, 20; visits of superintendent, 15; per cent attendance, 85.5; number of tardiness, 37.

The low attendance record of last year indicates that more parental cooperation is needed. Also the medical inspection shows many cases of defective teeth which if not cared for now will be a cause of future trouble and expense.

During the summer the inside of the school house was painted. It would be good economy to paint the outside soon.

The high school pupils attending Kennett High School this year are: Irene Bean, Delbert Bean, Nelson Grant, Donald Linscott, Ernest Nelson, Richard Paul, Mary Perkins, William Perkins.

The budget which the school board will present to the meeting for approval will be based on a careful study of probable needs. School patrons should understand that the amount raised at the school meeting is the total amount that will be available for next year. For that reason all voters should

attend the school meeting. It is impossible except in emergency for school boards to undertake after the school meeting any expense not contemplated and included in the budget accepted by the meeting. It is difficult here and elsewhere for people to understand that there is no school money except what they appropriate in the March meeting.
